

This is so humiliating. Why do I do to deserve this?

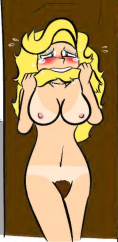

The only place I want to be naked is in the shower.

Ugh. Why those two of all girls?

I think we
should check
it out.

Oh, I think
that screen came
somewhere
near by.

I don't
know so.
There's no one
else around.

So close. If
they saw I'd be
the new Matilda.

Can't let
that happen. Gotta
get back to
Tiffany's place.
